TWENTY-FIRST INTERIM FEE
APPLICATION OF THOMAS
SEAMAN, RECEIVER

Date: July 13, 2015

Time: 8:30 a.m.

Ctrm: 9D Judge: Hon. David O. Carter

Judge: Hon. David O. Carter

1 Thomas A. Seaman (the "Receiver"), the court-appointed Permanent Receiver
2 for Medical Capital Holdings, Inc., Medical Capital Corporation, Medical Provider
3 Funding Corporation VI and their subsidiaries and affiliates, (collectively the
4 "Receivership Entities") submits this twenty-first interim application for approval
5 and payment of fees. This application covers the period November 1, 2014, through
6 January 31, 2015 (the "Twenty-First Application Period").

7 During the Twenty-First Application Period, the Receiver and his staff spent
8 384.9 hours executing the duties set forth in the Temporary Restraining Order and
9 Order Appointing Receiver and the subsequent Preliminary Injunction and Order
10 Appointing Permanent Receiver, and subsequent orders of the Court. By this
11 Twenty-First Interim Fee Application, Thomas Seaman seeks approval of
12 \$61,810.50 in fees which were incurred at a weighted average hourly rate of \$161
13 per hour. The Receiver seeks approval to pay 90% of this amount, or \$55,629.45.
14 The Receiver does not seek reimbursement of any expenses.

15 **I. PROCEDURAL OVERVIEW OF THE RECEIVERSHIP CASE.**

16 On July 16, 2009, the SEC commenced an enforcement action against
17 Medical Capital Holdings, Inc., Medical Capital Corporation, Medical Provider
18 Funding Corporation VI, Sidney M. Field and Joseph J. Lampariello ("Defendants"),
19 alleging various violations of securities laws. On the same day, the SEC filed an Ex
20 Parte Application for Temporary Restraining Order ("TRO") and Orders: (1)
21 Freezing Assets; (2) Appointing a Temporary Receiver; (3) Prohibiting the
22 Destruction of Documents; (4) Granting Expedited Discovery, and (5) Requiring
23 Accountings; and Order to Show Cause Re: Preliminary Injunction and
24 Appointment of a Permanent Receiver. On July 20, 2009, the Court granted the
25 TRO, however, the TRO was vacated the following day at the request of the
26 Defendants, and further briefing was submitted.

27
28

1 Thereafter, on August 3, 2009 (the "Appointment Date"), the Court entered
2 the TRO, appointing Thomas A. Seaman as temporary receiver for the Receivership
3 Entities. On August 17, 2009, the Court confirmed the appointment of the Receiver
4 and entered the Preliminary Injunction and Order Appointing a Permanent Receiver
5 ("Appointment Order"), by which Mr. Seaman was appointed as the Permanent
6 Receiver for the Receivership Entities.

7 **II. WORK PERFORMED BY THE RECEIVER.**

8 The Receiver has set forth the scope of the case in detail in his twenty
9 previous fee applications, and will omit it from this application in the interest of
10 brevity given the late stage of the receivership and out of respect for the significant
11 time and judicial resources this Court has devoted to this case.

12 During the Twenty-First Fee Application Period over one-third of the
13 Receiver's work involved managing and supporting the Receiver's litigation against
14 former corporate counsel. The vast majority of the remainder of the bill for the
15 Twenty-First Application Period was spent supporting investor and claimant
16 inquiries concerning claims arising from the first distribution of \$117,500,000 which
17 was paid to nearly 9,000 recipients. The Receiver's staff also assisted the note
18 holder plaintiff's distribution of the settlement proceeds from the bond indenture
19 trustees.

20 The Receiver also monitored and collected revenue from the film, monitored
21 and collected loan and accounts receivable payments, and marketed other debt and
22 equity positions of the Receivership Entities, enforced judgments, as well as
23 monthly reporting to the parties and the Court.

24 While the vast majority of significant assets have been liquidated, there are
25 numerous problem loans and other assets in which the Receivership Entities holds
26 an interest. Many have been converted to a judgment or a bankruptcy claim, a
27 handful require continued legal action, much of which is being done for little or no
28

1 cost by local counsel. Some of these loans have a prospect of at least some
2 recovery. The Receiver continues his efforts to collect on the TEEM loan, the
3 Pyramid/Mavusi judgment, the Valley/Kroop matters, and the Lavipharm
4 investment. The Single Touch equity position was marketed during the Twenty-
5 First Application Period and the sale closed in April, 2015.

6 The inception-to-date gross receipts grew in the Twenty-First Application
7 Period to \$190,270,511.71 and the Receiver was holding cash of \$18,646,327.04 on
8 January 31, 2015.

9 The Receiver's fees for the Twenty-First Application Period are summarized
10 by month are as follows:

11	November 2014	\$20,708.50
12	December 2014	\$20,602.00
13	January 2015	<u>\$20,500.00</u>
14	Total	\$61,810.50

15 The fees incurred by the Receiver for the duration of the receivership are
16 2.7% of inception to date gross revenue, and 2.4% net of the holdback, i.e., the
17 portion of previously approved fees that have not been paid.

18 The Receiver's fees in the Twenty-First Application Period were 43% less
19 than in the Twentieth Interim Fee Application, but are 83% less than the First
20 Interim Fee Application. The Receiver expects the next fee application to decline
21 significantly as the conclusion of the matter approaches.

22
23 **III. ANALYSIS OF RECEIVER'S FEES AND RELATED METRICS.**

24 Exhibit A provides a detailed listing of each and every time entry comprising
25 the Receiver's fees. In order to assist the Court in its review and analysis of the
26 Receiver's fees, the Receiver has prepared three separate analyses. The first is a
27 breakdown by timekeeper setting forth the amount of time spent by the Receiver and
28

1 his agents at their respective hourly rate. The next summary is a breakdown of work
2 by functional area including debt collection, accounting, forensic accounting,
3 business management, asset sales, litigation support, and investor relations, among
4 others. The third breakdown is by significant asset or loan.

5
6 **A. Charges by Timekeeper**

7 Exhibit B provides a breakdown by timekeeper setting forth the amount of
8 time spent by the Receiver and his agents at their respective hourly rates. The
9 Receiver personally expended 47.1 hours, or less than 4 hours per week, for the
10 Twenty-First Application Period for a total cost of \$18,840.00. During the Twenty-
11 First Application Period the Receiver spent 10% of his time working on the Medical
12 Capital receivership.

13 In order to manage the receivership in a cost effective manner, the Receiver
14 delegates some assignments to agents who are billed at hourly rates ranging from
15 \$60 to \$175 per hour. These agents perform accounting, financial analysis, business
16 management, forensic accounting, investor relations and claims management, debt
17 collection, litigation support, real estate management, management of asset
18 disposition and other services required by the receivership estate. During the
19 Twenty-First Application Period, the Receiver's agents expended 337.8 hours at a
20 cost of \$42,970.50, or \$127 per hour, thus reducing the weighted average hourly rate
21 to \$161 during the Twenty-First Application Period. The Receiver believes that the
22 hourly rates charged by the Receiver are fair and reasonable given the requirements
23 of the receivership estate.

24 The Receiver expects the number of hours necessary to administer the
25 receivership estate to continue to decline in the next and subsequent fee
26 applications.

27
28

1 **B. Charges by Task**

2 Exhibit C provides a monthly breakdown by tasks performed by the Receiver
3 and his agents, including graphs for total costs for each task by month. The total
4 hours and cost by task for the billing period are as follows:

5

6	<u>Task</u>	<u>Hours</u>	<u>Rate</u>	<u>Amount</u>
7	A/R and other Debt Collections	0.6	\$137	\$82.00
8	Accounting and Reporting	13.1	\$143	\$1,868.50
9	Administration	3.7	\$60	\$222.00
10	Investor Relations	198.4	\$111	\$21,931.00
11	Litigation & Support	82.7	\$276	\$22,797.50
12	Project Management	29.8	\$175	\$5,201.50
13	Receiver	10.1	\$400	\$4,040.00
14	Receivership Administration	44.4	\$120	\$5,332.00
15	Sell Liquidate Assets	2.1	\$160	\$336.00
16	<u>Totals</u>	<u>384.9</u>	<u>\$161</u>	<u>\$61,810.50</u>

17 The Receiver did not charge for the cost of preparing the fee applications,
18 which took 15.5 hours to prepare during the Twenty-First Application Period at a
19 cost savings to the receivership estate of \$3,008.00. To date, this has saved the
20 estate \$87,546.00.

1 CONCLUSION.

2 The Receiver believes his fees are fair and reasonable in view of the
3 circumstances encountered by and results achieved by the Receiver. The Receiver
4 has worked diligently to perform his duties in an efficient and cost effective manner.

5 Therefore, the Receiver respectfully requests an order:

6 Approving fees totaling \$61,810.50 for the Twenty-First Application Period;

- 7 1. Authorizing the Receiver to pay 90% of such sum, or
8 \$55,629.45, out of assets of the receivership estate; and
9 2. For other and further relief as is appropriate.

10 I declare under penalty of perjury under the laws of the United States that the
11 foregoing is true and correct.

	DC Receivership Administration After noticing a drastic drop in temperature the previous day, was alerted users were unable to connect to Medical Capital servers, network drives and the application server. On site, worked with Orange County Networking on tracing this to a stalled out drive in the Storage Works VMWare server. Worked shutting down the plethora of servers softly that were still functional, verified backups and system status. Once down, reinitialized the offline disk and verified the disk array. Once synced, powered on the Storage works system, then the HP management server. Once on, powered on the plethora of servers. Verified resources that were down and tested with users.
